JULY 4-JULY 7

Material Art & Design

Lead Artist: Allie Brenner

Join us this week in the studio to focus on making both functional and art objects. Play with fiber art techniques, make your own sculptural jewellery and create designs in printmaking and weaving. Learn how to use clay to make ceramic objects and sculpture. Draw inspiration from your imagination and your environment to create amazing art and design!

JULY 10-JULY 14

Art and Identity

Lead Artist: Ellie Anglin

Participants will examine and explore concepts of identity and self-representation through self-portraiture, performance, costume design, new media and set design techniques. Use paint and papier-mâché to create back drops and props, face paint and fabric to define a unique look, a camera and lighting to take photos, computer software to edit, a photocopier to print, and card stock and glue to mount their portraits, participants will learn to use a variety of artistic techniques to express their identity, an alter-ego or a pure fantasy.

JULY 17-JULY 21

Sound & Sight

Lead Artist: Meghan Bunce

A super fun camp that mixes sound, music and art and explores how they come together using hands-on activities. No musical experience required! Participants will create their own percussion instruments out of recycled material, create graphic scores, develop a soundscape and more!

JULY 24-JULY 28

Contemporary Art: Be In the Now

Lead Artist: Allie Brenner

Learn about some of the most innovative artists of our time. Understand how artists interact with the world around them helping people to see the world in new ways! Contemporary artists use many different materials to express their ideas. This week we will cover projects in drawing, sculpture, animation, video game art, projection, mixed media, collage, and public art interventions! We will also focus on collaborative arts to learn how you and your peers can join together to make your mark on the world!

JULY 31-AUG 4

Canadian Indigenous Art & Contemporary Issues

Lead Artist: guest Indigenous Artist TBA

Explore the richness and diversity expressed in the artworks of the First Peoples of Canada. Focusing on Contemporary work of Aboriginal artists through the creation of artwork inspired by important practices. Explore many important artists! Use photographic mediums, painting, performance, video and mixed media and drawing to create meaningful artwork while learning about shared cultural experiences. Learn the work of Métis Cree artist Robert Boyer, contemporary Canadian Inuk artist Annie Pootoogook and more!

AUG. 8 - AUG. 11

Mythical Characters, Art & Stories

Lead Artist: Vero Diaz

Time to play, improvise and get messy! Let's explore through the creation of mythical characters, storytelling and art making. Be inspired through movement, imagination and your own identity. Join us this week in a creative journey in assembling fun and expressive self-portraits. Play with improv, performance and theatre, find your stories waiting to be told, and make your own portraits in photography and painting.

*** Shorter week \$162 members/ \$191 non-members (full days) & \$91 members/ \$107 non-members (half days)**

AUG. 14 - AUG. 18

Biomorphic Earth Art

Lead Artists: Crystal & Liam of Trash Theatre

Nature Ninjas Unite! Do animals and the natural world mesmerize you? Come combine curiosity and creativity by revealing the secrets of the mysterious world around us through artistic expression! Collaborative public art creation, building natural survival structures, sketching, sculpture, natural prints and dyes, portraiture, theatre, looper pedal madness, fresh air play, mini boat races, experimenting with paint to create galaxies, obstacle course runs, even plant an edible mushroom garden to take home.

AUG. 28 - SEPT. 1

Contemporary & Postmodern Art

Lead Artist: Desiree Lichty

Have fun, explore, be inspired, create and collaborate during this unique arts experience. Learn about anamorphic art, creating your own optical illusion art masterpieces. Be the master of your own art draw bot. Explore kinetic art, create pop art inspired pieces, and even produce your own animated movie.
