

Important Information for Classes

Please read the Checklist to prepare yourself for your upcoming class:

Checklist:

1. Health & Safety during COVID-19

Masks for in person classes are 100% mandatory without exception for the health and safety of staff, artist instructors, and your fellow students and peers. Masks covering your nose and mouth must be put on before entering the art centre. Bandanas and other scarf coverings or face shields alone are not approved. Please wear a medical, N95 or cotton constructed mask. If you are unable to wear a mask, we encourage you to sign up for our many online programs this session.

For in person classes and workshops, please make sure to arrive a few minutes early as we will need to provide COVID-19 screening and contact tracing before every workshop. Please visit the health and safety section of our website before visiting the art centre: www.buttonfactoryarts.ca/covidsafety.

2. This is the right class for me:

Check the class description for the following information:

The class meets my current skill level: beginner, intermediate or advanced.

Age: Anyone under the age of 16 who would like to register for adult classes will need special permission from the Program Director. Senior, kids and family programs have ages listed with each individual class description. Does this class require any prerequisites? If so, they will be listed in the class description.

3. Supply Lists

Most classes require you to bring your own supplies. Please click the supply list link in the course description at www.buttonfactoryarts.ca/programs or visit www.buttonfactoryarts.ca/supply-lists to make sure you are prepared for your program.

4. Registration Policy

I have ready the registration policy and health policies at buttonfactoryarts.ca/covidsafety and agree to its policies.

5. Evaluation Form

We appreciate your feedback on classes and workshops and how we can continue to provide engaging art classes. We also want to know where we can improve. When you have completed a program with us, please visit www.buttonfactoryarts.ca/evaluation to give us your feedback!

If you have questions about any points in this Checklist, please contact Allie Brenner, Program Director by email at: programs@buttonfactoryarts.ca
